Access Language Solutions

Linguists You Can Trust

About Us

Founded in 2017 in Lexington, Kentucky, Access Language Solutions aims to meet the state's ever-growing language access needs. Our ideal client is a nonprofit, a local government entity, an independent medical office, or any others struggling with finding professional yet affordable solutions.

We will work with you to create a plan for effective communication. This is not only what makes us different, but also your best choice for language access.

**It's our mission to
bridge communication
gaps with affordable
and innovative
linguistic solutions.**
